Recommended Action: Approval of Council Bill No. 2018-412

INTRODUCTION:

The following Council Bill is for a sub-recipient agreement amendment between the City of Joplin and the Area Agency on Aging to provide additional funding for the purchase and installation of final equipment as part of Senior Center Phase II. City Council previously approved this activity in the Round I Community Development Block Grant Program – Disaster Recovery (CDBG-DR) Amendment 9 to the Initial Action Plan on June 19, 2017.

DISCUSSION:

The Senior Center is currently operational with the Area Agency on Aging providing services to the Community's senior citizen population. The Senior Center project has been achieved through two separate phases; Phase I involved the land acquisition, design and construction of the facility, while Phase II included the purchase and installation of the necessary furniture, fixtures and equipment to furnish the facility. Phase I of the project was undertaken by the City of Joplin, while Phase II was achieved through a sub-recipient agreement between the City of Joplin and the Area Agency on Aging. Through the Phase II sub-recipient agreement, the Area Agency on Aging received $200,000 for the purchase and installation of the equipment. Enhancements to the security system, recommended by City Staff, led to a slight overrun in the funds made available to the Area Agency on Aging. This amendment will be to add $1,146.09 to the Area Agency's budget to assist with the purchase of the security system as well as the procurement of a portable PA system.

RECOMMENDATION:

City Staff recommends the approval of this Council Bill to approve Amendment #2 to the sub-recipient agreement between the City of Joplin and the Area Agency on Aging. Therefore, the City hereby declares that based on Section 2.12 (6) of the Home Rule Charter of the City of Joplin, Missouri, and as such, this ordinance shall become effective immediately upon its passage.
