NEW BUSINESS

Discussion of Finance Priorities:

Mr. Alcorn reviewed with the committee the draft report which contains a summary of the city's financial position of liquidity debt position, key tax revenue trends and statistics. Mr. Alcorn asked if the committee had any comments or suggested edits. The committee did not have any comments and thought the draft report was well done and agreed with its presentation to the City Council. Mr. Alcorn invited the committee members to the council presentation following known further discussion.

With no further business, the committee adjourned at 4:25 pm.

Submitted,

Nick Edwards, City Manager
