Dr. Rosenberg asked if all exits were on to St Louis.

Ms. Bryant stated yes.

Dr. Rosenberg asked if they have property onto Fountain Rd that it will connect to.
Ms. Bryant explained that Phase 6 of Emerald Glades will connect to Phase 2 of the other subdivision on Fountain Rd.

Arturo Levo, Schuber Michtell Homes, 1835 W 12th St. He explained this phase is south of phase 2, and north of that is phase 1 on E White Oak St. Phase 1 is completed and Phase 2 is being built.

Declaration of Covenants, Conditions and Restrictions for Emerald Glades Subdivision City of Joplin, Jasper County, Missouri (All Phases in Subdivision)

THIS Declaration of Covenants, Conditions and Restrictions, referred to herein as the "Declaration", is made this 29 day of October, 2024, by Schuber Mitchell Homes, LLC, a Missouri limited liability company, referred to herein as "Declarant", concerning the residential subdivision known as Emerald Glades Subdivision, referred to as "the Subdivision".

WITNESSETH

WHEREAS, the Declarant is the Owner of real property located in Jasper County, Missouri, being more fully described in Exhibit A attached to this Declaration and incorporated herein by reference, sometimes referred to herein as the "Property"; and

WHEREAS, the Declarant is in the process of developing and platting the aforesaid Property into a residential community, and contemplates subdividing such Property into individual, quality, single-family or multi-family Lots, and, in addition, contemplates setting aside certain tracts of land for common landscaped areas, for signs identifying the Subdivision and other amenities; and

WHEREAS, the Declarant desires that the entire Subdivision constitute a single-family and multi-family residential community, with rights and obligation toward the Ownership and maintenance of landscaped common areas at or near the entries to the Subdivision, as well as the signs identifying the Subdivision; and

WHEREAS, the total development of the Subdivision residential community will take several years;

WHEREAS, the Declarant desires to provide for building and use restrictions to promote and ensure that the Subdivision is a quality residential community, that all homes are constructed of quality materials and workmanship and are compatible with other homes in the Subdivision, and to protect the property values of all Owners within the Subdivision;

WHEREAS, the Declarant desires and aspires for the Subdivision to grow and mature into an environment where all members of Emerald Glades Subdivision feel a sense of comfort and belonging; and the Declarant additionally desires for each Owner to be friendly, respectful, trustworthy, and gracious to one another and that this Declaration facilitates and promotes such a sense of community.

NOW THEREFORE, in consideration of the foregoing and for the purpose of enhancing and protecting the value and desirability thereof, the Declarant hereby declares and subjects all of the Property described in Exhibit A, now known as Emerald Glades Subdivision, to the covenants, charges, assessments, conditions, and restrictions set forth in this Declaration, all of which shall run with said Property and shall benefit and be binding upon all parties and all persons owning all or any part thereof, and their heirs, personal representatives, successors, and assigns. Any and all contracts, purchase agreements, or Deeds affecting any of the Property or Lots therein shall be deemed to have these covenants and restrictions incorporated therein by reference, and any and all such contracts, purchase agreements, or Deeds affecting any of the Property or Lots therein shall be conclusively held to have been executed, delivered, and accepted with full knowledge of all covenants and restrictions contained herein. Furthermore, it is expressly declared and agreed that these covenants also benefit the Declarant and future Owners of the Property because of the interest of the Declarant and such future Owners in having the entire Property maintained in an attractive manner for the benefit of all Owners of any portion of the Property.

STATEMENT OF DECLARANT'S INTENTIONS REGARDING THE SUBDIVSION

It is the Declarant's belief that good neighbors tend to share meals, tools, and phone numbers. Good neighbors keep their lawns, pets, noise levels, and gossip in check. In short, good neighbors look out for one another, are genuinely friendly, and trust that their fellow neighbors have their best interest at heart. The Declarant intends for the Owners to seek to be the best neighbors possible to one another, and in doing such, our community will continually strive to: (i) welcome new residents and foster and maintain those relationships, (ii) offer assistance when a neighbor is in either stated or apparent need; (iii) graciously receive help when a neighbor extends a hand; (iv) trust each other and assume the best in each interaction; (v) respect other families' property, time, and resources; and (vi) do our part to create a community where every resident loves coming home. Please, do to others as you would have them do to you.

SECTION II
GOVERNING BODIES

A. **GENERALLY.** These Covenants shall be implemented by the Association, the Board of Directors of the Association and the Association's Architectural Control Committee and Violations Committee, as established herein.

B. **HOME OWNERS ASSOCIATION.**

1. **Membership.**

a. Each and every Owner of each and every Lot within the Subdivision shall automatically be, and must at all times remain, a Member of the Association in good standing, and shall be bound by the terms and conditions of this Declaration, the Articles and Bylaws of the Association, and such rules and regulations as may be promulgated and adopted by the Association under such Articles and Bylaws. Each and every Resident (who is not otherwise an Owner) may, but is not required to, be a non-voting Member of the Association. Membership of an Owner in the Association shall be appurtenant to and may not be separated from the interest of such Owner in and to any portion of a Lot. Ownership of any Lot shall be the sole qualification for being a Member; however, a Member's privileges to use the Common Properties may be regulated or suspended as provided in this Declaration, the Bylaws, or the rules and regulations promulgated by the Board. Any Person who holds an interest in and to all or any part of a Lot merely as security for the performance of an obligation shall not be a Member.

b. Except as provided in this Declaration, the Association shall be the sole judge of the qualifications of its membership and of the right to participate in and vote at its meetings and shall have the right to prescribe the procedure to be followed concerning all such meetings and votes.

c. Subject to the terms and conditions herein, an Owner is permitted to lease or rent any Dwelling owned by an Owner. However, any such lease or rental agreement: (i) shall be in writing; (ii) in no event shall have more than two (2) parties named on such lease or rental agreement; (iii) and in no event shall be entered into with more than one (1) family. Further, any lease or rental agreement entered into between an Owner and a tenant of a Dwelling must require compliance by the tenant and all occupants with all of the covenants, conditions and restrictions contained in this Declaration, the Articles, the Bylaws and any rules and regulations promulgated by the Board, from time to time, which provisions shall be for the express benefit of the Association. Upon entering into any lease or rental agreement entered into between an Owner and a tenant of a Dwelling, each Owner shall have an affirmative duty to provide any such tenant with a copy of this Declaration. Notwithstanding any such lease or rental agreement, the Association shall continue to notify Owner, and Owner shall continue to be directly responsible for, all assessments, liabilities and obligations under this Declaration. Additionally, all such leases and rental agreements shall comply with all applicable laws, including but not limited to zoning.

2. **Transfers.** The membership of an Owner may not be severed from or in any way transferred, pledged, mortgaged or alienated except upon the sale, assignment, or transfer of such Owner's interest in all or any part of such Owner's Lot and then only to the purchaser, assignee, or transferee as the new Owner of the Lot in question. Each Owner shall notify the Association of any transfer or assignment of the fee title to his/her/its Lot and the name and address of the transferee or purchaser. Such transfer shall automatically operate to transfer the membership to the new Owner thereof. On transfer, conveyance, or sale by any Owner of all of his or her or interest in any Lot, such Owner's membership in the Association shall thereon cease and terminate. An Owner of a Lot, by contracting to sell his Lot on an installment basis, shall be deemed to have transferred his membership to the contract purchaser upon execution of the contract for sale. When an Owner sells his Lot by traditional offer and acceptance providing for a closing of the sale to occur at which time the purchaser will pay the purchase price to the seller or deliver to the seller a promissory note for the purchase price in exchange for a conveyance by deed of the property, the transfer of membership shall be deemed to occur upon delivery of the deed. For purposes of this Declaration, the "Owner" shall be deemed to include the purchaser under an installment contract, regardless of whether a deed has been executed to be held in escrow or whether the deed will be executed and delivered upon payment in full of the installment payments. The Articles of Incorporation and Bylaws of the Association, as may be amended from time to time, are incorporated by this reference to the same effect as if set forth word for word herein.

3. **Voting Rights.**

a. During the Development Period only the Declarant shall be able to vote as a Member of the Association.

b. Following the expiration of the Development Period all Members shall constitute the voting Members of the Association. The Owners of each Lot in good standing shall be entitled to one (1) vote per Lot. Where more than one Owner owns and holds a record fee interest in a Lot, either as joint tenants, tenants in common, or tenants by the entirety, for the purposes of voting at meetings of the Association or on issues submitted to the Members, said multiple Owners shall cast one vote collectively for each Lot owned.

c. Any Owner or Member shall not be in "good standing" if such Person is: (i) in violation of any portion of these Covenants or any rule or regulation promulgated by the Board or any portion of applicable laws, rules, regulations and ordinances; or (ii) delinquent in the full, complete, and timely payment of any assessments or charge which is levied, payable or collectible pursuant to the provisions of these Covenants, the Bylaws or any rule or regulation promulgated by the Board. The Board may suspend the voting rights of any Member who is not in good standing for any period during which such Member remains not in good standing. The preceding clause shall control over any provision of this Declaration to the contrary.

d. The Board may make such rules and regulations, consistent with the terms of this Declaration and the Bylaws, as it deems advisable, for: (i) any meeting of Members; (ii) proof of membership in the Association; (iii) the status of good standing; (iv) evidence of right to vote; (v) the appointment and duties of examiners and inspectors of votes; (vi) the procedures for actual voting in person or by proxy; (vii) registration of Members for voting purposes; and (viii) such other matters concerning the conduct of meetings and voting as the Board shall deem fit.

4. **Notice; Voting Procedures; Meeting.** Quorum notice and voting requirements of and pertaining to the Association may be set forth within the Articles and/or Bylaws, as either or both may be amended from time to time, and shall be in accordance with permitted Missouri law. During the Development Period, from time to time, as and when determined necessary by the Board, the Board may call and schedule a meeting of the Members. From and after the expiration of the Development Period, the Members shall meet annually to deal with and vote on matters relating to the business of the Association, as directed by the Board, including the election of the Directors.

5. **Matters Generally Subject of the Vote of Members.** Additionally, to the extent that the Board desires to encumber any portion of the Common Properties as security for payment of indebtedness incurred in respect to improvements to the Common Properties, the Board shall obtain the prior approval of the majority of Members.

6. **Registration with the Association.**

a. Each and every Owner, Member and Resident shall have an affirmative duty and obligation to originally provide, and thereafter revise and update, within fifteen (15) days after a material change has occurred, various items of information to the Association such as: (a) the full name and address of each Owner, Member and Resident; (b) the name, address and telephone numbers of other local individuals who

can be contacted (in the event the Resident cannot be located) in case of an emergency; and (c) such other information as may be reasonably requested from time to time by the Association. Failure to provide the Association with a name and proper mailing address shall constitute a waiver of any notice otherwise required hereunder.

7. **Other Matters.**

a. The official address of the Association is to be provided to all Members by the Board of Directors of the Association and shall remain so until changed by a majority of the Board of Directors of the Association, at which time the Association shall notify each Member thereon of the change in address.

b. The Association shall, at all times, observe all of the laws, regulations, ordinances, and the like of all governmental authorities recognized in the City, the State of Missouri, and of the United States of America, and if, at any time, any of the provisions of this Declaration shall be found to be in conflict with such laws, regulations, ordinances, and the like, the same shall become null and void, but no other part of this Declaration not in conflict therewith shall be affected thereby.

c. By written consent of a majority of the Owners of all the Lots within the Subdivision (one per Lot), the Association may be given such additional powers and duties as may be deemed necessary and reasonable, and by such vote, this Declaration may be modified or amended in any manner.

d. Subject to the limitations set forth in this Declaration, the Association shall have the right to make such reasonable rules and regulations and to provide such means and to employ such agents as will enable it adequately and properly to carry out the provisions of this Declaration.

C. **HOME OWNERS ASSOCIATION BOARD OF DIRECTORS.** The Board of Directors of the Association shall consist initially of two (2) directors, appointed by the Declarant. The initial directors shall each serve during the Development Period. At the end of the Development Period, the Declarant shall appoint three (3) replacement directors that are Lot Owners to serve staggered three (3), two (2) and one (1) year terms. Thereafter, as their respective term expires, each of the initial directors appointed by the Declarant shall appoint their replacements to each serve for a three (3) year term. Any director may resign at any time by notice to the Board. In the event of the death or resignation of any initial director prior to the expiration of his or her term, the vacancy shall be filled by an appointment of the remaining director(s). After the expiration of the terms of the directors, elections shall be held to fill each of the available seats, which shall thereafter serve three (3) year terms. All subsequent directors shall be Lot Owners. For each notice of lien so filed, or for any lien so filed, the Association shall be entitled to collect from the Lot Owner or Owners of the Lot described in such notice of lien a fee of $200 which shall be collectible in the same manner as the original assessment provided for in this Declaration. The non-paying Owner or Owners shall be obligated to pay all costs incurred, plus reasonable attorney fees, which costs and fees shall become a portion of the lien and may be foreclosed on in the same manner as the assessment provided above.
