SUMMARY
This Council Bill authorizes an update to the Animal Sheltering Agreement between the Joplin Humane Society, Inc. and the City of Joplin providing animal sheltering services for animals brought to it by the City's animal control program staff or by residents of the City.

BACKGROUND
The City has contracted with the Society for animal sheltering services in conjunction with the City's animal control program since 1975. The original contract has been amended from time to time over the years. The current contract was approved by City Council and is dated October 21, 2024. This contract is renewed annually.

The agreement calls for the Society to provide sheltering services for animals brought to it by the City's animal control program staff or by residents of the City, as approved. The agreement includes basic impoundment services for stray animals, or those animals collected for a violation of city code, and rabies quarantine services for animal involved in bite situations.

The Society has requested a 3.1% CPI increase in fees which is allowed under the current agreement. The new agreement specifies a schedule of fees that may be charged to the City or residents of the city for various services including rabies sample submission, daily care charge, animal intake and tracking, quarantine, euthanasia, and cremation. The agreement also allows for other charges to the City for specific cases where extraordinary care may be required for an animal. Finally, the Society will receive 20% of fines it collects as specified in city code, for animals retrieved by the owner.

.

The Society agrees that all costs charged to the City per this agreement will be the same fees charged to other contract governmental entities. The estimated contract cost for the agreement is approximately $257,500 which matches the proposed expense included in the 2026 budget request in account 110-3505-550.52-45.

The agreement period will be from November 1, 2025, through October 31, 2026. Thereafter, subject to annual appropriations, it will be automatically renewed for four (4) successive (1) year terms to coincide with the city fiscal year unless amended by both parties.
