20th Street Improvements

Street repairs & improvements

Public Facilities & Improvements
UN

Project Description

This project consists of the reconstruction of 20th Street from Main Street to Connecticut (PART 1 by JET/Olsson Associates) and from Connecticut Avenue to Rangeline Road (PART 2 by Anderson Engineering). This project includes the reconstruction of the existing storm sewers, sidewalks, street lighting, signalization, landscaping, and replacement of box culverts and storm water improvements.
