Mr. Lynden Lawson
City of Joplin
602 S. Main Street
Joplin, MO 64801

Re: Lift Station SCADA Addition
Joplin, Missouri

Dear Lynden:

The bids submitted October 20, 2016 on the above referenced project have been reviewed and confirmed Joplin Industrial Electric Company, Inc. of Joplin, Missouri (JIE) as the apparent low bidder. JIE has indicated that they intend to enter into a contract with the City to build the project and they appear to be capable of obtaining all necessary bonds and insurance, and performing the work specified.

It is our recommendation that the City award the construction contract to JIE in the amount of $271,353.22 ($212,322.82 for the Base Bid and $59,030.40 for Add Alternate No. 1 that provided an additional 6 RTU's for future installation) for the Lift Station SCADA Addition project. A tabulation of bids and copies of the proposed Notice of Award for the work have been included for your review and use. If the City concurs with this recommendation, please fully execute and return to our office three (3) original copies of the Notice of Award.

Once the Notice of Award document is received back by our office from the City, we will submit Contract Documents to the Contractor for execution and schedule a project pre-construction conference.

Do not hesitate to call if you have any questions.

Sincerely,

ALLGEIER, MARTIN & ASSOCIATES, INC.

Chris Erisman, P.E.
Vice President
