ITEM:
CB 2021-287 – Rezone M-2 to R-3.

MEETING DATE:
November 1, 2021

ORIGINATING DEPARTMENT:
Planning, Development and Neighborhood Services

REVIEWED BY:
Director of Planning, Development & Neighborhood Services-Troy Bolander, Director of Finance-Leslie Haase, City Attorney- Peter Edwards, City Manager-Nicholas Edwards.

SUMMARY REQUEST:
Case 054-21: Approximately 550 feet South of the intersection of S. Rex Ave. and E. 13th St. – A request to remove from District M-2 (Heavy Industrial) and include in District R-3 (Apartment House) for future residential development – Hung Nguyen

BACKGROUND:
The change in zoning will not be detrimental to nearby property. The uses permitted in R-3 are significantly less intense than those permitted in the current M-2 district. Furthermore, the majority of uses within the Joplin city limits along Rex Ave. are high-density residential or commercial.

This request to rezone to R-3 is for future duplex or multi-family development on the site. No buffer is required in this case. Stormwater management would be required with any development due to the size. Proper fire access will also be required, and an extension of fire hydrants may be required per the fire marshal.

PLANNING & ZONING COMMISSION TESTIMONY:
Hung Nguyen, 3411 E 11th Street, Joplin, MO. We own a piece of property behind 15th Street Wal-Mart by the water tower. We were wanting to build some duplexes. Right now, just rezone the property. We will start building next year.

PUBLIC COMMENT;
None.

RECOMMENDATIONS:
Staff recommends approval for Case 054-21.
Planning & Zoning Commission recommends approval for Case 054-21 (6 Favor, 0 Nays, 1 Absent)

STAFF ANALYSIS

CONSISTENT WITH DEVELOPMENT POLICIES OF THE COMPREHENSIVE PLAN?

This request is consistent with the Comprehensive Plan. The future land use map does indicate future Retail Commercial. However, this request is consistent with the infill development goals in that plan. It is also consistent with nearby property along the Rex Ave. corridor.

THE SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED

The current zoning of M-2 is unsuitable at this property. This portion of Joplin has almost completely transitioned from industrial uses to commercial and residential. The property is also ill-shaped to host most industrial uses today.

THE EXTENT THAT THE ZONING CHANGE WILL DETRIMENTALLY AFFECT NEARBY PROPERTY

The change in zoning will not be detrimental to nearby property. The uses permitted in R-3 are significantly less intense than those permitted in the current M-2 district. Furthermore, the majority of uses within the Joplin city limits along Rex Ave. are high-density residential or commercial.

DISCUSSION

This request to rezone to R-3 is for future duplex or multi-family development on the site. No buffer is required in this case. Stormwater management would be required with any development due to the size. Proper fire access will also be required, and an extension of fire hydrants may be required per the fire marshal.

The request is found to be consistent with the comprehensive plan and future land use map.

Staff recommends approval of Case 054-21.
