BACKGROUND
The City of Joplin, the Jasper County Special Road District, and the Jasper County Commission are working in partnership to construct a new bridge on Schifferdecker Avenue over Turkey Creek. The bridge construction is included in the Capital Improvement Sales Tax program.

Engineering staff conducted an open house in September, 2015, to receive input on the design and address other issues concerning the bridge construction. Right of way and easements have been acquired, a clearing & grubbing contract was awarded and completed. All permits have been obtained.

This project was advertised per City procurement procedures. Bids were opened on October 23, 2018 with 4 firms bidding. Hartman & Company Inc. provided the lowest bid.

FUNDING SOURCE
These payments are included in the FY 2017-2018 budget from the Capital Improvement Sales Tax Program 145-4565-520-8655 project TC0614. Jasper County Commission will provide up to $1,400,000.00 for the bridge and right of way. Joplin Special Road District will provide up to $100,000.00 for the roadway. The balance will be paid by the City Capital Improvement Sales Tax Program.
