Recommended Action: Approval of a work authorization with Anderson Engineering Inc. in the not to exceed amount of $200,250.00 for Engineering Services Associated with Street, Sidewalk, Curb & Gutter, and Storm Water Projects in the Recovery Area. Funded through CDBG-DR.

Background:
In July 2015 City Council approved the Capital Plan for the expenditure of CDBG-DR funds which included these projects. In October of 2016 the City of Joplin approved a contract with Anderson Engineering Inc. for the design, bidding and construction management of Street, Sidewalk, Curb & Gutter, and Storm Water Projects in the Recovery Area.

Discussion:
This work authorization provides for $200,250.00 to complete the additional tasks of field survey services and material testing that was not included as part of the work authorization approved in October. The construction of these projects is anticipated for the 2017 and 2018 construction seasons.

Recommendation: Staff recommends approval of a work authorization with Anderson Engineering Inc. in the not to exceed amount of $200,250.00 for Engineering Services associated with Street, Sidewalk, Curb & Gutter, and Storm Water Projects in the Recovery Area be approved on an emergency basis per Section 2.12 (6) of the Joplin City Charter.
