Re: 7th and Illinois Block Bid

Dear Mr. Johnson,

Please find enclosed the tabulation of two bids opened on November 15, 2017 for the referenced project. The lowest bid received was from G&H Redi Mix of Joplin, MO in the amount of $264,025.00. The engineers estimate was $300,000.00. Travis Parish of G&H has indicated they would be able to begin casting blocks for the project as soon as they receive a purchase order. Given the bid price relative to the other bid, the information provided, and the company's past performance in similar type work, we recommend awarding the contract to G&H Redi Mix.

Hopefully the preceding meets your needs. If you have any questions, please notify me by phone at 417-680-7356 or by email at Jared.Nichols@AMCE.com.

Sincerely,

ALLGEIER, MARTIN and ASSOCIATES, INC.

Jared C. Nichols, P.E.
