Project Number	Project Name	Brief Description	Project Costing * (Programming Phase)	Average Score
Staff Proposed Nondiscretionary Projects				
1	Street Surface Repair	Improvements to existing Street surfaces. This project is funded by the Capital Improvement Sales Tax.	$10,000,000.00	**8.88**
2	Intersection Improvements	Improvement to existing intersections . This project is funded by the Capital Improvement Sales Tax.	$2,500,000.00	**8.75**
3	ADA Citywide Sidewalk Program	Improvements to existing public sidewalks.	$7,500,000.00	**8.63**
4	Neighborhood Transportation Improvements	Improvement to neighborhood transportation infrastructure. This project is an existing project funded by the Capital Improvement Sales Tax.	$1,000,000.00	**8.38**
5	Pennsylvania Avenue: Viaduct-Demo/Replace	This project is along Pennsylvania Avenue between 5th Street and 7th Street and includes the removal of the viaduct and its replacement with a street level roadway.	$4,800,000.00	**8.00**
6	New Citywide Sidewalks	Construct new sidewalks where gaps are identified.	1,500,000.00	**7.13**
7	Annual Bridge Maintenance	Fund to provide for annual maintenance of bridges. (not including major rehab or replacement)	$1,500,000.00	**7.00**
8	Municipal Building Improvements	Improvements to Municipal Buildings (Memorial Hall not included)	$4,000,000.00	**7.00**
9	Traffic Signal Updates	Improvements to existing and proposed traffic signals.	$2,500,000.00	**6.63**
10	7th Street: City Sidewalks between Maiden Ln and Pennsylvania Ave (Required as part of MoDOT project)	Funds to bring City-Owned sidewalks along the 7th Street corridor into ADA Compliance. These funds to be incorporated into MoDOT's 7th Street Project.	$2,000,000.00	**6.38**
11	Newman Road: Turkey Creek Bridge Rehabilitation	Rehabilitation of Newman Road Bridge over Turkey Creek to correct deficiencies found in MoDOT Inspection.	$4,950,000.00	**7.25**
12	Economic Development or Water Supply	Funding for Economic Development or water supply.	$2,500,000.00	

Proposed Projects for Consideration

13	Phase Two: Old and New Willow Branch - Drainage Improvements	Evaluate and construct rehab or replacement of the culvert. Project will be completed in several phases. The proposed project will include the areas under downtown buildings.	$12,260,000.00	**8.75**
14	Phase 1: Silver Creek Improvements - I-44 Culvert Addition	Conduct a hydraulic study to see if additional culverts under I-44 will affect downstream properties. Install two additional box culverts and flared wingwalls under 36th St. Install trail from 36th St. to 44th St. along Silver Creek Tributary II and Silver Creek.	$10,000,000.00	**8.38**
15	St. Louis Avenue Campbell Parkway to Broadway	Improvement of St. Louis Avenue from Campbell Parkway to Broadway Street, including pedestrian and bicycle accommodations.	$9,720,000.00	**8.00**
16	15th Street and Murphy Blvd/Delaware Ave: Intersection Improvements	Improvement to the intersection of 15th Street with Murphy Blvd and Delaware Ave, including pedestrian and bicycle accommodations	$2,800,000.00	**8.00**
17	Davis Boulevard	Improvements to Davis Boulevard from 32nd to 20th Street including pedestrian and bicycle accommodations	10,330,000.00	**7.75**
18	20th Street from Central City to Stateline	20th Street Improvements: Central City Road to Stateline Road	$15,750,000.00	**7.75**
19	Florida Avenue: Zora to Turkey Creek Bridge	Improvement of Florida Avenue from Zora Street to Turkey Creek Bridge, including pedestrian and bicycle accommodations.	$7,030,000.00	**7.50**
20	Maiden Lane: Perkins to Murphy Boulevard roadway extension	Improvement of the connection of Maiden Lane at Perkins Avenue to Murphy Boulevard, including pedestrian and bicycle accommodations.	$1,520,000.00	**7.50**
21	7th Street and Illinois Ave: Intersection Improvements	Potential additional items omitted by MoDOT from the 7th Street project due to budget constraints. These additional funds could be utilized to improve the intersection of 7th Street and Illinois Avenue/Murphy Blvd. Costing does not include MoDOT project	$500,000.00	**7.38**
22	Active Transportation projects 1.1 to1.7 Downtown Loop	This project includes seven projects that together will form Active Transportation Downtown Loop Project.	$5,010,000.00	**7.38**
23	Dr. Donald E. Clark Justice Center	Rehabilitation or Remodel	$65,000,000.00	**7.25**
24	Fire Station No. 3	Replacement of Fire Stations 3	$7,000,000.00	**7.13**
25	Underpass at Tin Cup: 32nd and St. Johns Boulevard	This project purposes the design, coordination, and installation of a prefabricated concrete box tunnel underneath the intersection of 32nd Street and St. Johns Boulevard. It would carry pedestrians and cyclists using the Tin Cup Trail under 32nd Street.	$2,000,000.00	**6.88**

26	32nd Street and McConnell Avenue Signalized Intersection	Signalization of intersection at 32nd Street and McConnell Avenue.	$1,080,000.00	**6.88**
27	Gateways, monuments, signs, etc.	Gateway improvements or additions.	$1,000,000.00	**6.88**
28	7th Street Streetlights: Additional Improvements	Potential additional items omitted by MoDOT from the 7th Street project due to budget constraints. These additional funds could be utilized to improve the street lighting along 7th Street.	$2,420,000.00	**6.63**
29	7th Street Intersection: Additional Intersection Improvements	Potential additional items omitted by MoDOT from the 7th Street project due to budget constraints. These additional funds could be utilized to improve other signalized intersections such as Florida Ave, St. Louis Ave, and Maiden Ln.	$2,000,000.00	**6.63**
30	Neighborhood Zone Improvements	Improve Infrastructure and Encourage Economic Dev. Public Infrastructure and Facility Improvements. The area proposed for these improvements is from Landreth Park east to St. Louis and from Broadway north.	$5,800,000.00	**6.63**
31	Ewert Park Trail Connections	This project would include a riverwalk and greenway added to Ewer Park. The Riverwalk project entails the construction of 1,100 linear feet of new trail along the east bank of Joplin Creek as it passes through the Joplin Plaza commercial center between 7th Street and Campbell Parkway. This project would fund the design and construction of the trail improvements only. The Spring Greenway project would provide 1,700 linear feet of shared use path on the north side of E. 5th and Elm Streets between Ewert Park and E. 4th Street to the northeast. This sidewalk would provide a safe connection for residents in the neighborhood to the east as well as a sidewalk through a public park currently without any pedestrian infrastructure.	$2,680,000.00	**6.38**
32	Newman Road: Rangeline Road to Duquesne Road Multi-Use Path	A new multi-use path on the south side of Newman road from Rangeline Road to Duquesne Road.	$2,200,000.00	**6.25**
33	Lone Elm Road: Zora Street to Murphy Blvd	Improvements to Lone Elm Rd from Murphy Blvd to Zora Street, including intersection improvements at Murphy Blvd, including pedestrian and bicycle accommodations.	$11,750,000.00	**6.25**
34	Katy Trail Development	The trail would make use of railroad right-of-way once used by eh Missouri-Kansas-Texas Railroad. This connection can connect Schifferdecker Park and Joplin Athletic Complex in Joplin's northwest corner to the Joplin Creek corridor. The trail head park is proposed on a 5-acre parcel of land already owned by the City in the 2400 block of W. Perkins Street and could provide a small parking lot, shelter with restroom, and playground. The western segment would run 8,500 linear feet from Perkins Street to Lone Elm Road and would include 1 prefabricated steel pedestrian bridge. The eastern segment would run 3,300 linear feet from Lone Elm Road to Murphy Boulevard between the Roanoke neighborhood and Dover Outdoor Recreation Area.	$5,200,000.00	**6.25**
35	Memorial Hall Repairs	The roof structure and foundations at the northeast portion of the building are the two most significant structural items that require long-term repair or remediation. The cost could be up to $30,000,000.00.	$30,000,000.00	**6.13**

36	Joplin Athletic Complex Improvements	This project would provide additional programming opportunities for the department as well a recreation amenity currently not found in the City, based on recommendations from the Joplin Athletic Complex masterplan.	$2,670,000.00	**6.13**
37	Zora Street: Main Street to Schifferdecker/Peace Church	Improvement of Zora Street from Main Street to Schifferdecker/Peace Church, including pedestrian and bicycle accommodations.	$12,000,000.00	**6.00**
38	44th Street: Indiana Avenue to Connecticut Avenue	Improvement of 44th Street from Indiana Ave to Connecticut Ave, including pedestrian and bicycle accommodations.	$5,000,000.00	**6.00**
39	St. Louis Avenue: Zora Street to Demott Drive (State Rt 171)	Improvements at St. Louis Avenue from Zora Street to Demott Drive (State Rt 171), including pedestrian and bicycle accommodations.	$20,920,000.00	**6.00**
40	Schifferdecker Avenue: Belle Center to (US 66) to Zora Street	Improvement of Schifferdecker Avenue from Belle Center Road to Zora Street, including pedestrian and bicycle accommodations. This project would include intersection improvements at Schifferdecker and Belle Center.	$6,630,000.00	**5.63**
41	City/Public Parking lot improvements	Improvements to publicly owned parking lots.	$2,100,000.00	**5.50**
42	McClelland Park Improvements	This project would replace or restore much of the basic park infrastructure at McClelland park based on recommendations from the McClelland Park masterplan.	$4,500,000.00	**5.25**
43	Indiana Avenue: 32nd Street to 41st Street	Improvement of Indiana Avenue from 32nd Street to 41st Street, including pedestrian and bicycle accommodations.	$5,670,000.00	**5.00**
44	Schifferdecker Park Improvements	This project would make improvements based on recommendations from the Schifferdecker park masterplan.	$6,080,000.00	**5.00**
45	Duquesne Road: 7th Street (MO 66) to Newman Road Sidewalk Improvements	New sidewalk will be installed along Duquesne Road from 7th Street to Newman Road.	$2,520,000.00	**4.75**
46	Woodland Loop Trail (Bluff Trail)	Trail improvements from the Bluff Creek Trail parking lot to the Old Redings Mill Bridge Parking lot.	2,100,000.00	**4.38**
TOTAL			**$325,890,000.00**
