Originating Department: PUBLIC WORKS – OPERATIONS

Attachments: 1) Council Bill No. 2016-157
2) Quotation for Armor Equipment, 2016 International 4300 Street Sweeper

Department Head: Nicholas A. Heatherly
Finance Department: Leslie Haase
City Attorney: Peter C. Edwards
City Manager: Samuel L. Anselm

Recommended Action: Approval for the purchase of an International 4300 Street Sweeper from Armor Equipment in the amount of $183,804.00 for the Street Maintenance Division.

Background: Following the approval of the FY 2016-2017 Operating Budget it became time to look for replacement of One (1) existing street sweeper in the Street Maintenance Department. The existing 2009 International chassis with crosswind sweeper is being replaced by this sweeper.

Discussion: The decision was made to use the state bid to purchase one International 4300 Street Sweeper from Armor Equipment in the amount of $233,804.00. The trade in for the One (1) existing 2009 International chassis with crosswind sweeper is $50,000.00 making the cost of the new sweeper $183,804.00 and is below the budgeted amount. The equipment as bid meets the specifications requested by the Public Works Department and the funding comes from the Transportation Sales Tax (TST) Account.

Recommendation: City staff recommends that the City accept the bid as described for the purchase of a street sweeper and be approved on an emergency basis per Section 2.12 (6) of the Joplin City Charter.
