Department Head: Nicholas A. Heatherly	Date:
Finance Department: Leslie Haase	Date:
City Attorney: Peter C. Edwards	Date:
City Manager: Samuel L. Anselm	Date:

Recommended Action: Approval of Work Authorization Number JET DR-2 PAP3-1 with Joplin Missouri Joint Engineering Team in the not to exceed the amount of $1,367,113.00 for Design of 12 Projects located in the recovery area.

Background: On August 4, 2014 Council Bill 2014-158 was approved and that Council Bill authorized the City staff to enter into an agreement and work authorization number JET-DR2-AP1-1. This is the second work authorization to the general services agreement approved in August of 2014. This work authorization will allow the consultant to proceed with completing the design of infrastructure projects and to proceed with construction management of the projects ready for construction within the JET portion of the recovery area.

Discussion: In accordance with the City of Joplin procurement policy City staff advertised in the Joplin Globe and received 11 sets of qualifications from consulting firms for this project. The Joplin Missouri Joint Engineering Team which is made up of Olsson Associates, Tran-Systems Civil-Engineering, Tri-State Engineering, and CJW Transportation Engineers was selected for design of infrastructure projects within a portion of the recovery area. JET has completed the scope of the first work authorization. City staff has met with JET to outline the scope of services

required for this work authorization. JET has prepared the work authorization along with a scope and fee and the City staff has reviewed the scope and fee. The fee is within industry standards.

Recommendation: Staff recommends approval of Work Authorization Number JET DR-2 PAP3-1 with Joplin Missouri Joint Engineering Team in the not to exceed the amount of $1,367,113.00 for Design of 12 Projects located in the recovery area be approved on an emergency basis per Section 2.12 (6) of the Joplin City Charter.
