PETITION TO AMEND BOUNDARIES AND REMOVE PROPERTY FROM THE 32nd STREET PLACE COMMUNITY IMPROVEMENT DISTRICT

To the City Council ("**City Council**") of the City of Joplin, Missouri ("**City**"):

The 32nd Street Place Community Improvement District ("**District**"), which was formed effective August 3, 2020 by Ordinance No. 2020-113 ("**Formation Ordinance**") adopted by the City Council, is a political subdivision of the State of Missouri and is transacting business and exercising powers granted pursuant to the Community Improvement District Act, Sections 67.1401 through 67.1571, RSMo, as amended ("**Act**").

The District was formed to acquire property and to fund certain public improvements, including, among other improvements, the construction of a re-aligned Hammons Boulevard, which is an existing private road that connects with Range Line Road on the western boundary of the District and with 32nd Street on the northern boundary of the District, and the construction of three regional detention basins as part of a larger redevelopment project.

To enable the District to undertake the planned public improvements in accordance with the Act, a separate petition to add the following tracts to the District is being submitted to the City contemporaneously with this Petition: (a) a portion of Hammons Boulevard; and (b) two narrow tracts (both to be included in the platted Tract for construction of one of the planned regional detention basins).

That portion of Hammons Boulevard to be added to the District ("**Adjacent Property**") runs through a tract, which tract is the location of a proposed Menards store ("**Carved-Out Tract**"). To facilitate development of the Carved-Out Tract, JDHQ Land Holding, LLC, a Delaware limited liability company ("**Petitioner**"), and the owner of the Adjacent Property as of the date Petitioner JDHQ Land Holding, LLC signed this Petition, desires to remove the Adjacent Property from the District as permitted under the Act. It is anticipated that the District will acquire the Adjacent Tract after the Adjacent Tract has been added to the District as part of the District's project described in the Formation Petition and that the District will be the owner of the Adjacent Property at the time that the planned improvements to Hammons Boulevard are complete. The Adjacent Property, together with other sections of the existing Hammons Boulevard, will be vacated at such time as the planned improvements to re-align Hammons Boulevard are complete, at which time the improved and re-aligned Hammons Boulevard will be dedicated to the City.

As the future contingent owner of the Adjacent Property, the District has also signed this Petition. At such time as the District acquires the Adjacent Property, the District will be included in the definition of Petitioner for all purposes under this Petition. The District also desires for the Adjacent Property to be removed from the District once preconditions for removal, as the City may establish, have been met.

Petitioner JDHQ Land Holding, LLC is the current owner of the Adjacent Property and Petitioner 32nd Street Place Community Improvement District is the future contingent owner of the

Adjacent Property and both request that the boundaries of the District be amended by removing the Adjacent Property from the District pursuant to Section 67.1441.1, RSMo, which provides that:

Upon the written request of any real property owner within the district, the governing body of the municipality may hold a public hearing for the removal of real property from a district and such real property may be removed from such district by ordinance, provided that:

(1) The board consents to the removal of such property;

(2) The district can meet its obligations without the revenues generated by or on the real property proposed to be removed; and

(3) The public hearing is conducted in the same manner as required by section 67.1431 with notice of the hearing given in the same manner as required by section 67.1431 and such notice shall include:

(a) The date, time and place of the public hearing;

(b) The name of the district;

(c) The boundaries by street location, or other readily identifiable means if no street location exists of the real property proposed to be removed from the district, and a map illustrating the boundaries of the existing district and the real property proposed to be removed; and

(d) A statement that all interested persons shall be given an opportunity to be heard at the public hearing.

Petitioner is the owner of more than fifty percent (50%) by assessed value of the Adjacent Property proposed to be removed from the District, and (2) comprises more than fifty (50%) per capita of all owners of the Adjacent Property proposed to be removed from the District.

1. **Current Boundaries, Legal Description, and Map of District**

   The current legal description of the District is attached hereto as **Exhibit A**. A map of the current boundaries of the District is attached hereto as **Exhibit B**. The District is located entirely within the corporate boundaries of the City.

2. **Amended Boundaries, Legal Description and Map of District**

   The amended legal description of the District without the Adjacent Property is attached hereto as **Exhibit C**. A map of the amended boundaries of the District without the Adjacent Property is attached hereto as **Exhibit D**. The District, including the removal of the Adjacent Property proposed to be removed from the District, is located entirely within the corporate boundaries of the City.

3. **Signatures May Not Be Withdrawn**

Notice has been provided to all Petition signers that their signatures may not be withdrawn later than seven (7) days after the filing of this Petition with the City Clerk. This notice is included on each signature page attached to this Petition.

4. **Formation Petition**

Unless otherwise defined in this Petition, all capitalized terms shall have the meaning given to them in the Petition for the Creation of the 32nd Street Place Community Improvement District submitted to the City on June 30, 2020 ("**Formation Petition**").

5. **Total Assessed Value of Adjacent Property**

The Adjacent Property comprises only a portion of a larger tax identification parcel owned by JDHG Land Holding, LLC. Based on an analysis of the assessed value of the property owned by the Petitioner as reported by Newton County, the total estimated assessed value of all real property located within the Adjacent Property is approximately $1,073.

6. **Determination of Blight, Blight Remediation and Public Purpose as to Adjacent Property**

Petitioner requests that the City Council take notice of the Ordinance, finding, among other things, that the District area described in the Formation Petition is a blighted area pursuant to Section 67.1401.2(3)(b), RSMo, of the Act based on information included in and testimony related to the blight study submitted and presented at the public hearing on July 20, 2020, and find that the Adjacent Property is also a blighted area under Section 67.1401.2(3)(b), RSMo, of the Act. The Adjacent Property is adjacent to the District and shares substantially similar characteristics as the remainder of the District area that was found to be a blighted area in the Ordinance.

In order for the District to be able to acquire the Adjacent Property and expend its revenues or loan its revenues pursuant to a contract entered into pursuant to Section 67.1461.2(2), RSMo, this Petition seeks the City Council's determination that the use of District revenues as described herein and pursuant to contracts to finance the demolition, removal, renovation, reconstruction or rehabilitation of portions of buildings within the Adjacent Property and related improvements and structures is reasonably anticipated to remediate the blighting conditions within the Adjacent Property and will serve a public purpose.

7. **Methods of Financing District Projects and District Services - Sales Tax**

Upon the removal of the Adjacent Property from the District, the Adjacent Property shall no longer be subject to the District's projects or the District's sales tax.

8. Severability / Exhibits

It is the intention of Petitioner that the provisions of this Petition shall be enforced to the fullest extent permissible under the laws and public policies of the State of Missouri and that the unenforceability (or modification to conform with such laws or public policies) of any provision hereof shall not render unenforceable, or impair, the remainder of this Petition. Accordingly, if any provision of this Petition shall be deemed invalid or unenforceable in whole or in part, this Petition shall be deemed amended to delete or modify, in whole or in part, if necessary, the invalid or unenforceable provision or provisions, or portions thereof, and to alter the balance of this Petition in order to render the same valid and enforceable. All exhibits attached hereto are hereby incorporated into this Petition by reference.

9. Consent of Board of Directors

Consent of the Board of Directors of the District approving the amendment of the District's boundaries by removing the Adjacent Property from the District is necessary under the Act. Upon adoption by the Board of Directors of the District, a copy of the District's resolution consenting to and approving the removal of the Adjacent Property will be attached hereto as **Exhibit E**.

10. Request for Boundary Amendment and Removal of the Adjacent Property

By execution and submission of this Petition, Petitioner respectfully requests that the City Council amend the boundaries of the District by removing the Adjacent Property from the District.

11. No Other Amendments

Except as provided in this Petition, the Petition does not request any other changes or amendments to the Formation Petition.

12. District Obligations

Petitioner states that the District can meet its obligations without the revenues generated by or on the Adjacent Property after removal.

WHEREAS, the Adjacent Property is legally described on the attached Exhibit C and depicted on the map attached as Exhibit D;

WHEREAS, the Adjacent Property is part of a tract ("Carved-Out Tract") that was intentionally carved out of the District at the time of its formation.
