Base: 10 yr / 50% for companies creating a minimum of two jobs and not in the targeted clusters, with approval of EEZ Adv Brd.

Enhanced: As per chart above, for companies in the targeted clusters.

County Avg. Wage: Average of Jasper and Newton County avg. wages, as defined by state DED. New companies must meet CAW as avg. of all employees in new operation. Existing firms qualify based on avg. wage of existing employment base.

Job Creation: Number of FTE in twenty-four months after beginning new/expanded operation.
