2) Bid Tab
3) Council Bill No. 2014-192

Engineering: Dan Johnson	Date
Department Head: Nicholas A. Heatherly	Date:
Finance Department: Leslie Haase	Date:
City Attorney: Peter C. Edwards	Date:
City Manager: Samuel L. Anselm	Date:

Recommended Action: Approval of a Construction Contract with Dalton-Killinger Construction Co. in the amount of $1,105,825.00 for Storm Sewer Repair Project at 28th & Pennsylvania and 29th & Even Avenue Project in the Green Area of the Tornado Zone.

Background: The storm sewer repair projects at 28th & Pennsylvania Avenue and at 29th & Even Avenue were included in a State of Missouri Department of Economic Development Office of Administration Rebuild Damaged Infrastructure Program agreement which was approved by Council in March of this year. In April of this year Anderson Engineering was contracted to provide Design of the two projects. City staff has chosen to include both projects under one construction contract.

Discussion: In accordance with the City of Joplin's Procurement policies the project was advertised in the Joplin Globe Newspaper and on the City's website. Bids were opened on December 2 with 6 firms bidding and Dalton-Killinger Construction Co. provided the lowest bid. The low bid was below the Engineer's estimate.

Recommendation: Staff recommends approval of a Construction Contract with Dalton-Killinger Construction Co. in the amount of $1,105,825.00 for Construction of the Storm Sewer Repair Project at 28th & Pennsylvania and 29th & Even Avenue Project in the Green Area of the Tornado Zone.
