SUMMARY
This Council Bill authorizes a purchase order with Goins Enterprises Inc. in the amount of One Hundred Nine Thousand Six Hundred Seventy-Four and 88/100 Dollars ($109,674.88) for repair of sidewalks around the Justice Center.

BACKGROUND
The Justice Center had work items identified that needed to be performed for general upkeep and maintenance of facilities. Some of these items were funded through the ARPA funding that the City received. Projects such as window replacement and electrical, HVAC, and Plumbing Improvements were included in these projects. Some of these projects came in under the estimates leaving some ARPA funding that was dedicated to Justice Center projects unallocated. In order to utilize all the available ARPA funding, a project to repair existing sidewalks around the Justice Center was chosen to be performed through the City's existing On-Call Infrastructure and Utility Cuts contract in order to meet funding deadlines. These sidewalks were identified as needing repair for ADA compliance and for safety by staff and meets goals laid out in the City's ADA Transition Plan for removing accessibility barriers to City facilities.

FUNDING SOURCE
This is included in the FY 2025 Budget in the Capital Improvement Sales Tax Fund and is being partially funded through ARPA.

RECOMMENDATION
Staff recommends adoption of this Council Bill, approving a purchase order on an Emergency basis being an ordinance relating to a public improvement, it is an emergency within the meaning of Section 2.12(6) of the HOME RULE CHARTER of the City of Joplin, Missouri and the Council hereby declares that this ordinance shall be in full force and effect from and after its passage. Furthermore, adoption of this Council Bill on an emergency basis is to meet ARPA funding allocation deadlines.
