CITY OF JOPLIN
COUNCIL AGENDA ITEM

ITEM
Council Bill 2018-159
Resurfacing of Streets 2019
Construction Agreement for Resurfacing

MEETING DATE
December 17, 2018

ORIGINATING DEPARTMENT
Public Works

REVIEWED BY
Director of Public Works – David Hertzberg, Director of Finance – Leslie Haase, City Attorney – Peter C. Edwards, City Manager – Samuel L. Anselm

SUMMARY
This Council Bill approves a construction agreement with Emery Sapp & Sons Inc., for the resurfacing of streets in the not to exceed amount of Nine Hundred Ninety Thousand Two Hundred Forty-Seven and 16/100 Dollars, ($990,247.16)

BACKGROUND
City staff annually evaluates the pavement conditions of the City street system and recommends streets that need improvements. City staff determines which streets are to be resurfaced through a selection process based on traffic counts, street classifications, structural integrity and ride quality. Streets or parking lots may be added or deleted from this list. The Annual Resurfacing Project Budget provides for these street needs. Street resurfacing consists of a 2 inch milling and asphalt overlay.

City staff prepared bid documents for the project. Staff followed the City's procurement policy for advertising of said project. Two construction companies submitted bids (see attached Bid Tabulation), that were opened on November 8, 2018. Emery Sapp & Sons Inc., was the low bidder. The bid was within 10% of the Engineer's estimate. City staff evaluated the bids and existing city budget, staff chose to award base bid with alternates 2 & 5 as the best fit within the budget.

FUNDING SOURCE
These payments are included in the FY 2018-19 budget; Transportation Sales Tax Fund Account 140-4520-530-8650.

RECOMMENDATION
Staff recommends adoption of this Council Bill on an Emergency basis; being an ordinance relating to a public improvement is an emergency within the meaning of Section 2.12(6) of the HOME RULE CHARTER of the City of Joplin, Missouri and the Council hereby declares that this ordinance shall be in full force and effect from and after its passage. Specifically, this ordinance approves construction to begin immediately in the optimal construction time during the calendar year, and appropriations for this contract have been approved in the 2018-2019 budget
