MTD/LRTP information:

Date: _____ Page Number: _____

Ttle VI Plan:

Adoption Date: 1/9/15

Fixed Route Transit Systems Only –

How does project impact Title VI assignment policy?

One of the vehicles to be purchased with these grant funds will be used as a back-up vehicle for the Red & Green trolley routes.

ADA Complementary paratransit plan adoption date: N/A, Deviated Route System

How is proposed 5339 project coordinated with transportation services from other federal sources?

Use of 5339 for bus replacement will allow us to use our 5307 funds for operating expenses instead of capital expenses.

Transit Fleet Expansion Projects Only:

Describe new markets intended to be served, as well as vehicle needs, fleet size and spare ratio.

Authorized Official's Signature

CAPITAL PROJECT BUDGET

Capital Purchases

Description	Total Estimated Cost	Federal Portion	Local Portion	Replacement Vehicle
Purchase of 3 new 23' gasoline powered cut-a-way style buses, A/C, wheelchair lift equipped.	$186,750	$149,400	$37,350
