MO 64801

To Whom it May Concern,

This letter is in reference to the purchase City of Joplin is looking to make for new APX Radios. The City of Joplin radio system is a Motorola Solutions ASTRO system. This system was competitively bid and awarded to Motorola Solutions for a citywide mission critical communications for public safety users.

The APX radios, which were competitively bid, are listed on State Contract via the Missouri Office of Administration under contract number CT200459001, as well as the Johnson County, KS cooperative purchasing contract.

The APX series of radios are the only radios capable of performing Location on PTT on the City of Joplin's ASTRO radio system. Only the APX series of radios can perform this feature, and Motorola Solutions is the sole provider of APX radios.

Additionally, the APX series of radios are already in use by the City of Joplin.
