SUBMISSION OF PROPOSALS

In order to qualify for the work on this project, bidders must submit all information requested in the following bid forms. All proposals must be received by **1pm, Wednesday, March 17 th, 2021.** Bids shall be sealed. The bid opening shall be public.

PROJECT TOURS

Before submitting a bid, each bidder shall have the opportunity to thoroughly examine the Project and fully understand the conditions that in any way affect the work proposed. Failure to inspect the Sites will in no way relieve the successful contractor from the necessity of furnishing any materials or performing any labor necessary for the satisfactory completion of the work.

To schedule a tour please contact Jason Cowen, Parks Superintendent, at 417-625-4750. The available times for tours will be between 9:00am-3:00pm. If Jason Cowen is not available, he may select the Lead Parks Caretaker to conduct the tour. Please call prior to visiting the project to guarantee availability.

SCOPE OF WORK

The Landscape Maintenance Contractor (hereinafter called the "Contractor") shall recognize and perform in accordance with all stated intents, specifications and stipulations contained or referenced herein.

Each bidder shall be responsible for researching the existing conditions and matters that affect the cost or performance of the services.

The Landscape Contractor shall furnish all labor, equipment, tools, services, skills, etc., required to maintain the landscape in an attractive condition throughout the contract period. The intent is to maintain a Class A appearance of the property as determined by the Owner. Any discrepancies in the understanding of this clause shall be resolved in a manner as determined by Owner.

DURATION OF AGREEMENT

The term of the agreement shall be for a period of one (1) year with an option to renew for an additional two (2), one (1) year periods at the discretion of the Owner.

QUALITY CONTROL

Work covered shall be performed by a single firm experienced in landscape maintenance or similar in nature. Subject to approval of the Owner, the Contractor may subcontract any work to be performed under this Contract. However, the election to subcontract work shall not relieve the Contractor from responsibility or liability which it has assumed under this Contract and the Contractor shall remain liable to the same extent that its liability would attach, as if the work had been performed by the Contractor's own employees.

1. Has completed a minimum of three (3) projects of similar nature and scope to the work being bid and the type of work completed is similar to that being bid.
2. Maintains a permanent place of business, with a minimum of five (5) years in business.
3. Has access to all necessary equipment and has organizational capacity and technical competence necessary to do the work properly and expeditiously.
4. Has a documented safety program with a history of satisfactory past performance.
5. Diligently pursued execution of the work and completed past contracts according to established schedules.

INSURANCE

Throughout the term of this Agreement, the Contractor shall maintain at its sole expense effective insurance covering its activities at the project premises. Said insurance shall be secured from a company(s) licensed to do business in Missouri. The Contractor shall furnish the Owner with documentation of this insurance coverage.

Such insurance shall be in the amounts stated below.

1. Worker's Compensation Insurance:
    a. For all the Contractor's employees engaged in work associated with the Project.
    b. The Contractor shall maintain Employer's Liability Insurance with a policy limit of not less than $100,000 each accident, $500,000 disease policy limit, $100,000 disease each employee.
2. General Liability Insurance:
   The Contractor shall maintain during the life of this Contract Commercial General Liability Insurance and Completed Operations for all claims that might occur in carrying out the Contract. Minimum coverage shall be $1,000,000 per occurrence, $1,000,000 general aggregate per project, combined single limit for bodily injury, personal injury and property damage. Such coverage shall be the "occurrence" type form. Such General Liability coverage shall include employees of the Contractor as insureds

3. Auto Liability Insurance:
   Contractor shall procure and shall maintain during the life of the Contract, Commercial Automobile Liability Insurance for all owned, non-owned and hired vehicles that are used in carrying out the Contract. Minimum coverage shall be $1,000,000 per occurrence combined single limit for Bodily Injury and property damage.

4. Scope of Insurance and Special Hazards:
   The insurance required shall provide adequate protection for the Contractor against damage claims that may arise from operations under this Contract, whether such operation be by the insured and also against any of the special hazards that may be encountered in the performance of this Contract.

   Each of the policies described above shall include the Owner as an Additional Insured as respects the activities carried out under this Contract.

   Proof of Insurance: Contractor shall provide a certificate of insurance from a company licensed to do business in the State of the Project locale indicating coverage is in place at the limits set forth in this Article. The insurer shall give the Owner thirty (30) day notice of cancellation or changes in coverage. The insurance certificate shall be provided before commencement of the Contract.

INDEMNIFICATION

Contractor shall indemnify, reimburse and hold the Owner harmless against any and all claims, damages, causes of action, liabilities, expenses, costs and fees, including attorney fees, that Owner incurs arising out of or occurring in connection with Contractor's performance of the work pursuant to this Agreement.

PAYMENTS

Contractor shall submit an Application Payment/Invoice, to the Owner, for services on a monthly basis. The Owner shall render the Contractor regularly scheduled payments in remuneration for the Contractor's Maintenance Services in amounts as specified.

PROJECT CONDITIONS

The Contractor shall be familiar with the Project premises and how the existing conditions will affect his work during maintenance services. The Contractor shall visit and examine the sites to become acquainted with the adjacent areas, means of approach to the site and conditions of actual job sites. Failure to visit the sites or failure to examine any and all Contract Documents will in no way relieve the Contractor from necessity of furnishing any equipment or performing any work that may be required to complete the work in accordance with the RFP. Neglect of above requirements will not be accepted as reason for delay in the work or additional compensation.

The Owner shall provide full information regarding all requirements for the Project, not specifically contained herein, and shall establish and maintain an effective communications system with the Contractor throughout all phases of the work.

SEQUENCING AND SCHEDULING

Upon acceptance of the Bid, the Contractor shall coordinate with the Owner to arrange a schedule of services and shall continue coordination at intervals set forth by the Owner.

The Owner shall diligently endeavor to facilitate the Contractor's work by providing reasonable access to all work areas. The Owner shall facilitate the Contractor's Services program by providing access to the project premises during both regular business hours and, as is necessary, at other times so that the Contractor can conduct both regular, scheduled maintenance and any special services(s).

TERMINATION OF AGREEMENT

During the Landscape services period, (30) days' notice shall be required for termination of this agreement.
