Note 1 It is understood by the undersigned that the quantities given in the preceding itemized proposal are not guaranteed and are used solely for the purpose of comparing bids and

awarding the contract, and may or may not represent the actual quantities encountered on the job; and that the sum of the products of the quantities listed in the preceding itemized proposal, multiplied by the unit price bid, shall constitute the gross sum bid and agrees that payment will be on the basis of the unit prices shown herein, shall be made on quantities actually constructed and verified by field measurement.

Note 2 It is understood that this bid becomes a part of the specifications upon the signing of the contract and that failing to comply with any part of this bid will be taken as a failure to comply with said specifications and will be just cause for rejection of work.

Note 3 As a condition of submitting this bid and in consideration of the City permitting the bid to be submitted, the bidder hereby agrees that this bid shall be irrevocable for a period of sixty (60) days and that the bid shall not be withdrawn during the sixty (60) day period for the date of the bid opening specified in the bid notice.

Note 4 In submitting this bid, it is understood that the right is reserved by the City of Joplin to reject any and all bids, to waive any irregularities in the bidding, and to increase or decrease the amount of any class or portion of the work.

Note 5 In accepting this contract, Contractor certifies that no employee, member or officer of the firm or corporation is a salaried officer or employee of the City of Joplin or any of its boards or agencies and that no salaried officer or employee of the City has any financial interest, direct or indirect, in this Contract.

Note 6 The undersigned, as bidder, understands that the bidder awarded the contract will be required to comply, and to cause his subcontractors, if any, to comply will all federal statutes, regulations, and directives against discrimination against any person in connections with the contract, on account of race, color or national origin, and that such discrimination extends to procurement of materials and lease of equipment for use in connection with the contract.

Note 7 Each bidder will list type of equipment and cost per hour for their mobilization in their pricing.

The undersigned agrees to enter into a contract within fifteen (15) days from notice of award should this proposal be accepted and enter into bonds with good and sufficient securities. In order to pay all labor employed and materials used in connection with this work and to adjust all claims or liens that may arise in consequence of said work, to the satisfaction of the Director of Public Works, above said bonds shall also indemnify and save harmless the said City from all damages or injuries to any person or persons, either in the employment of the contractor, his agents, servants or employees.

In the event of failure of the undersigned to enter into such contract within ten days of the award, then the deposit or certified check of five percent (5%) of the total bid amount as surety is therefore forfeited to the City of Joplin.
