JOPLIN PUBLIC LIBRARY – RELOCATION SERVICES
AMENDMENT #3
February 23, 2017
EDA #: 05-79-05345

1. What are working hours?
    a. Current library will be closed at the time of the move. Access to both the current library and new library building will be from 7:00am-7:00pm. Longer hours are allowed if requested.

2. How heavy are the stone lions?
    a. The best estimate is the one lion is 300-400 lbs. The smaller one is estimated at around 100-150lbs.

3. Microfilm will be packed by library staff. It is expected the selected bidder will provide the appropriate type of container for these items although JPL does not need special crates.

4. JPL requests crates to be delivered 2 weeks prior to move and picked up by the 2 weeks after the move.

5. What is the lineal feet of the collection?
    a. It is JPL's best estimate that the collection is approximately+/- 12,000 LF.
