We are looking for a banner development and management company. Banners are created and installed upon request. Banners may be changed out in large quantities, or as needed on call when damaged and by request. Proposals must be delivered sealed to city hall per the RFP.

Banners are citywide but in specific areas. Third parties will utilize locations by request but city will maintain and manage banners thru this RFP request.

I'm including the following info.

The following are current Joplin banner pole locations:
