Pre-Bid Meeting
Tuesday, January 14, 2020 @ 10:00 am

Attendance:

Jai Cupp, Right A Way Sewer
Kyle Etcheson, Jeff Asbell Excavating
Jerry Goins, Goins
Lynden Lawson, City of Joplin
Joey Burton, City of Joplin
Mark Snowbarger, D&E Plumbing
Zach Cowpton, Jeff Asbell Excavating
Chris Parker, City of Joplin
Dean Smith, City of Joplin
Carrie Mercadante, City of Joplin

Thank you for your interest in this project, and for attending this week's pre-bid meeting.

At the pre-bid meeting, and in the day or two immediately following it, several questions were voiced that pointed out some limitations within the bid documents. City staff have decided to cancel the bid for this project, effective immediately. It is our intention to publish a new Notice to Contractors within a month's time. The extra time will allow City staff to improve its approach to acquiring the services of an emergency sewer repair contractor. Look for the ad in the *Joplin Globe* and on the City's website.

We regret the inconvenience this delay may have caused you.

Chris Parker, PE
Civil Engineer II (Sanitary Sewers)
