Subject: **Crime Prevention Through Environmental Design Presentation**

The Special Enforcement Unit of the Joplin Police Department would like to announce a Crime Prevention Through Environmental Design (CPTED) class on October 25, 2012 from 9:00 am to 11:00 am in the basement of City Hall.

CPTED is defined as "the proper design and effective use of the built environment that can lead to a reduction in the fear and incidence of crime and an improvement in the quality of life." The goal of this presentation is to educate business owners and managers about the core principles of crime prevention through the way the environment is designed. All business owners and managers are encouraged to attend.

Contact Officer Aaron Gooch or Officer Ashley Van Es with the Joplin Police Department if you have any questions.
