Math Error

*The reflected Unit price for Springfield Striping is based off of a total area of 172,265.79 SF as reflected by the proposal which was not changed to incorporate the additions made in Addendum 3. Springfield Striping was contacted and their extended price was based off of the total project area, including those added in Addendum 3 meaning their Extended price reflects the total project area while the unit price was arrived at by dividng the total bid by the quantity indicated in the proposal not the quantity stated above. Capital Paving based their price off of the quantity indicated above.
