DIRECTOR OF HOMELESSNESS RESP0NSE
JOPLIN REGIONAL COMMISSION ON HOMELESSNESS

ANNUAL SALARY: $70,000 WAGE BASED ON EDUCATION AND EXPERIENCE

Job Description

The Director of Homeless Response serves as a senior-level community systems leader, coordinating and advancing Joplin's homelessness response system. This position supports and operationalizes the community's homelessness strategies by working in close partnership with the JRCH Board/Commission, City of Joplin, and County leadership, Continuum of Care (CoC) partners, direct service providers, community stakeholders, and individuals with lived experience. Reports to the Joplin Regional Homeless Commission.

The Director provides leadership in planning, coordination, reporting, and continuous improvement support for CoC programs and system-wide initiatives. The role emphasizes data-informed decision-making, best practice implementation, training and convening, and system coordination to ensure homelessness is reduced and becomes rare, brief, and non-recurring.

Requirements

Bachelor's degree in Social Work, Public Administration, Human Services, Business, or related field with at least five (5) years of relevant experience in housing/homelessness, poverty reduction, health services, or human services systems, including at least two (2) years in connection with relatable Continuum of Care activities. A master's degree preferred with responsibility in system/program leadership and coordination. Program supervision and administration as an Executive Director or senior leader of a 501(c)3 is a plus. This position is subject to drug screen and background checks.
