All necessary information requested by the Code Official shall be provided to insure a complete review of the proposed project. Approval of construction documents does not release the builder from complying with all codes and ordinances adopted by the City of Joplin. Our department must approve all changes from the approved construction documents. The permit shall be valid for one year and shall be null and invalid if the authorized work is not commenced within six months after issuance of a permit, or if the authorized work is suspended or abandoned for a period of six months after the time of issuing the permit. I certify I have read and fully understand these conditions.
