

Memorial Hall

HONOR THE PAST

IMAGINE THE FUTURE

Question 1
April 5th

Honor the Past. Imagine the Future.
Proposed Renovation of Memorial Hall

In 1925, the community dedicated the facility as a memorial to all the soldiers and sailors of Joplin who have served in the defense of their country. Founders also intended for the building to host events, meetings and other activities for the Joplin community.

The four pillars of Memorial Hall represent important areas this facility served during the past 100 years. Imagine the next 100 years with a renovated Memorial Hall and all it can bring to Joplin:

Question 1 on the April 5, 2022 ballot asks Joplin voters:

"Shall the City Council of the City of Joplin, Missouri be authorized to issue general obligation bonds in the amount not to exceed $30,000,000 to reconstruct, renovate, expand, and improve Memorial Hall, and to improve related parking?"

If voters approve the initiative, the bond debt will be paid through the assessment of real property and personal property taxes. For an average $100,000 home in Joplin and a $20,000 vehicle, the estimated monthly cost is $6.20 - less than the monthly cost for your favorite streaming app or eating out for lunch.
