Joplin Public Housing Authority (JPHA) – Tenant Based Rental Assistance

Phases

Phase	Planned Finish
Project Start	Summer 2015
Project Execution	Winter 2017

Project Description
Due to the loss of 85 Section-8 Eligible Housing Units following the disaster, the number of Section-8 vouchers received by the JPHA was reduced by HUD. The City received a HUD waiver for supplemental funding to assist JPHA Section-8 Housing Choice Voucher Program to restore its numbers to it's pre-disaster assistance levels.
