Pre-Bid Questions and Answers

1) **How much notice will be required to close a lot?** The more notice that can be given, the better. The lots at Schifferdecker pool and the Health Department will require a week's notice. The other lots will just require 2 days' notice.
2) **How many lots can be closed at once?** Most lots can be closed fully and in conjunction with each other if needed. The two lots that will require extra coordination and may require phased closing, are the Health Department lot and the Schifferdecker pool lot. Schifferdecker pool opens Memorial Day weekend and is open every day until Labor Day. One possibility is to seal it before it is open, however if that is not a possibility, we will work with the contractor to schedule the closure.
3) **Will Contractor be required to move parking blocks?** No, the parking blocks can either be sealed around, or will be removed by city crews.
4) **Is the contractor responsible for repainting the parking stalls?** No, city crews will restripe the lots.
