The City of Joplin is amending the Community Development Block Grant Disaster Recovery (CDBGDR) Program's action plan for fiscal year 2013. A submission of this amendment will be made to the U.S. Department of Housing and Urban Development (HUD).

The amendment includes the revision and addition of activities to the City's existing Action Plan. The following activities will be added to the Action Plan.

1) Sanitary Sewers

Sanitary Sewers will be provided an additional $9,407,539 from Round II funding. This project will include substantial improvements to sanitary sewer service, as well as provide significant reductions in Infiltration and Inflow (I/I). Having a well mapped system will help to identify future preventative maintenance needs. In addition, these repairs to our system will position us in better compliance with state regulation and will ultimately reduce citizen user costs. The added funds will be used to close out and complete this activity.

Citizens wishing to review the Action Plan, comment on this amendment, or need other additional information can do so by contacting Patricia Heagel at (417) 624-0820, Ext. 570 or PHeagel@joplinmo.org. The Planning & Community Development Office is located on the 4th Floor of City Hall at 602 S. Main, Joplin, MO 64801. Comments will be accepted for 7 days following the posting of this notice on the City's website.

The purpose of this notice will be to provide an opportunity for individuals to comment on the amendment. The public is encouraged to submit comments regarding this activity and previously funded CDBG-DR activities.
