Request for Proposal No. RFQ-2015-01
Joplin Library Complex
Addendum #6

A clarification is being made in the RFQ documents on the following questions submitted:

Question: *What is the City's anticipated time frame from start to finish for the planning and design process?*

Answer: We presently expect the program/design process to take approximately a minimum of 6 months.

Question: *How long are you allowing for completion of the strategic planning phase of the process as described on page 18?*

Answer: We expect the strategic planning to be completed during programming/schematic design and be complete prior to design development documents being released.

Question: *What is the expectation for the use of the data and community information provided in the 2014 document entitled "Joplin Public Library Community Analysis", conducted by faculty and students in the University of Missouri School of Information* Science & Learning Technologies? Is it expected that this strategic planning process *will use this data and community information as a starting point, adding to and enhancing it as needed? Please share how this information would be used.*

Answer: At this time, we have not determined what aspects of this report will be utilized.

Sincerely,

Tony Robyn
Disaster Recovery Coordinator
