Request for Proposal No. RFQ-2015-01
Joplin Library Complex
Addendum #3

A clarification is being made on following question submitted:

Question: ***Our firm would like to visit Joplin and tour the current library facility to observe operations. Is this acceptable and can we speak to library staff while there?***

> Answer: It is acceptable to visit the library and observe the operations, however given some staff are part of the selection team we strongly discourage interacting with library staff as this will disqualify your firm in the procurement process. Any questions or clarifications should be directed to project contacts, Tony Robyn or Michelle Kaiser.

Sincerely,

Tony Robyn
