RFQ 2016-03

Senior Citizen Center

Addendum 5

Issued 4/7/2016

A non-mandatory site visit took place at 1:30 on April 7, 2016, as posted in Addendum 3 on the City website.

Two additional pieces of information were shared:

#1 – General project timeline (contingent on timely Federal project reviews and approvals)

- A general design timeline is projected as July 2016-October 2016.
- Construction is estimated to begin approximately April 2017.

#2 – Area survey highlighting Missouri American water lines running through senior citizen center project site (attached).
