Request for Proposal No. RFQ-2015-02
Civil Engineering Services
Joplin Library Complex

Addendum #4

A clarification is being made in the RFQ document on following questions submitted:

Question: *Are geotechnical investigation/drilling services for the building and parking lot* included in either the civil or architectural RFQ? If not, when and how will these services *be requested*

Answer: Although not specifically addressed in the RFQ, we would request you include these services within your proposal.

Sincerely,

Tony Robyn
Disaster Recovery Coordinator
