INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Mayor and Members of the City Council
The City of Joplin, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Joplin, Missouri (the City), as of and for the year ended October 31, 2024, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated April 15, 2025. Our report includes a reference to other auditors who audited the financial statements of the Joplin Sports Authority, a discretely presented component unit, as described in our report on the City's financial statements. The financial statements of the Joplin Sports Authority were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or compliance and other matters associated with the Joplin Sports Authority or that are reported on separately by those auditors who audited the financial statements of the Joplin Sports Authority. The financial statements of the Policemen's and Firemen's Pension, which are included in the City's financial statements, were not audited in accordance with *Government Auditing Standards.*

Report on Internal Control over Financial Reporting
In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as item 2024-001 that we consider to be a material weakness.

Report on Compliance and Other Matters
As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

City's Response to the Finding
Government Auditing Standards requires the auditor to perform limited procedures on the City's response to the finding identified in our audit and described in the accompanying schedule of findings and questioned costs. The City's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report
The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

Honorable Mayor and Members of the City Council
The City of Joplin, Missouri

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited The City of Joplin, Missouri's (the City) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on the City's major federal program for the year ended October 31, 2024. The City's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the City complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended October 31, 2024.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the City's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the City's federal programs.

Auditor's Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material

noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we

- exercise professional judgment and maintain professional skepticism throughout the audit.

- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.

- obtain an understanding of the City's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City as of and for the year ended October 31, 2024, and the related notes to the financial statements, which collectively comprise the City's basic financial statements. We issued our report thereon dated April 15, 2025, which contained unmodified opinions on those financial statements. We did not audit the financial statements of the Joplin Sports Authority, a discretely presented component. The Joplin Sports Authority represented 1.8%, 1.6% and 19.4%, respectively, of the assets, net position, and revenues of the discretely presented component units. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the discretely presented component unit is based solely on the report of the other auditor. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

Overland Park, KS
April 15, 2025

THE CITY OF JOPLIN, MISSOURI

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year Ended October 31, 2024

SECTION I - SUMMARY OF AUDITOR'S RESULTS

FINANCIAL STATEMENTS

Type of report the auditor issued on whether the financial statements audited were prepared in accordance with GAAP: Unmodified

Internal control over financial reporting:

- Material weaknesses identified? X Yes ____ No
- Significant deficiencies identified? ____ Yes X none reported
- Noncompliance material to financial statements noted? ____ Yes X No

FEDERAL AWARDS

Internal control over major federal programs:

- Material weaknesses identified? ____ Yes X No
- Significant deficiencies identified? ____ Yes X none reported

Type of auditor's report issued on compliance for major federal programs: See below

Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)? ____ Yes X No

Identification of major federal programs and type of auditor's report issued on compliance for major federal programs:

CFDA NUMBER	NAME OF FEDERAL PROGRAM	OPINION
21.027	Coronavirus State and Local Fiscal Recovery Funds	Unmodified

Dollar threshold used to distinguish between type A and type B programs: $ 750,000

Auditee qualified as low-risk auditee? X Yes ____ No

SECTION II - FINANCIAL STATEMENT FINDINGS

Finding 2024-001 - Adjustment and Accounts Payable Cutoff (Significant Deficiency) (Repeat Finding):

Condition: During the audit we identified invoices for capitalizable construction services that were material to the Sanitary Sewer fund and should have been recorded in fiscal year 2023 resulting in an understatement of assets and liabilities in the prior year.

Criteria: Management is responsible for designing internal controls that are sufficient to ensure year end balances are appropriately reported.

Context: A material difference was identified during the audit during testing of subsequent disbursements.

Cause: Internal controls were not sufficient to ensure year end balances were appropriately reported.

Effect: Financial statement balances could be materially misstated.

Recommendation: We recommend that management review its processes and procedures related to accounts payable cutoff. This will ensure that significant invoices are identified and recorded and verify the financial statements are properly reported.

Management Response (Unaudited): The City currently has procedures in place to identify the proper recording of payables. The City believes this was an isolated incident**.**

Corrective Action Plan (Unaudited): The City will continue to review and update our procedures to help ensure all payables are properly identified and properly recorded.

Contact Person: Leslie Haase, Finance Director

Anticipated Completion Date: October 31, 2025

SECTION III - FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

None

THE CITY OF JOPLIN, MISSOURI

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS

Year Ended October 31, 2024

Summary Schedule of Prior Audit Findings

Finding 2023-001 - Adjustment and Accounts Payable Cutoff (Significant Deficiency):

Condition: During the audit we identified an invoice for construction services that was material to the Capital Improvement Sales Tax Fund resulting in an audit adjustment to increase accounts payable and expenditures

Criteria: Management is responsible for designing internal controls that are sufficient to ensure year end balances are appropriately reported.

Cause: Internal controls were not sufficient to ensure year end balances were appropriately reported.

Effect: Financial statement balances could be materially misstated.

Recommendation: We recommend that management review its processes and procedures related to accounts payable cutoff. This will ensure that significant invoices are identified and recorded and verify the financial statements are properly reported.

Status: Comment repeated in current year as finding 2024-001.

THE CITY OF JOPLIN, MISSOURI

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Year Ended October 31, 2024

Note 1. Organization

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the City of Joplin, Missouri (the City) under programs of the federal government for the year ended October 31, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance).

Because the Schedule presents only a selected portion of the operations of the City, it is not intended to and does not present the financial position, changes in net position, or cash flows of the City.

Note 2. Basis of Presentation

The Schedule includes the federal grant activity of the City and is presented on the modified accrual basis of accounting. The information presented in the Schedule is in accordance with the requirements of the Uniform Guidance. Therefore, some amounts presented in the Schedule may differ from amounts presented in, or used in, the preparation of the basic financial statements.

Note 3. Local Government Contributions

Local cost sharing is required by certain federal grants. The amount of cost sharing varies with each program. Only the federal share of expenditures is presented in the Schedule.

Note 4. Additional Audits

Grantor agencies reserve the right to conduct additional audits of the City's grant programs for economy and efficiency and program results that may result in disallowed costs to the City. However, management does not believe such audits would result in any disallowed costs that would be material to the City's financial position at October 31, 2024.

Note 5. Indirect Cost Rate

The City has elected not to use the ten-percent de minimis cost rate allowed under Section 200.414(f) of the Uniform Guidance.
