NEWS RELEASE

FOR IMMEDIATE RELEASE
February 03, 2017

SUBJECT: Structure Fire at 2415 E Natalie Ct

CONTACT: Andy Nimmo, Joplin Fire Department

Joplin Engine 3A, Ladder 1A, Rescue 3A, Battalion 1A, Truck 5A and Webb City Engine 1411 responded to a residential structure fire on Natalie Ct. at approximately 1:58pm Friday. On arrival crews encountered heavy fire involvement with fire already venting through the roof. Crews made a defensive attack on the structure due to the amount of fire involvement to the attic and roof as well as confirmation that there were no occupants in the structure. Fire was controlled at 2:45pm, there were no injuries reported and fire personnel were assisted by JPD and METS ambulance. Investigation of the fire cause is ongoing, but does not appear suspicious at this time.

For more information, contact the Joplin Fire Department at 623-0403 or 624-0820 ext. 1300.
