Title: Recycling/Compost Volunteer

Department: Public Works

Type of Volunteer: Project/Ongoing Volunteer

Description

The City of Joplin is looking for volunteers to assist operations at the Recycling Center and compost facilities. Volunteers will help recycling center patrons unload and sort their recyclables. Volunteers will help maintain and monitor compost fields. These volunteers will also help in general maintenance of the Recycling Center.

Recycling Center Duties

- Assist patrons with unloading and sorting of recyclables
- Help bundle and sort through recycled items before they are transported from the Recycling Center
- Other duties as assigned

Compost Facility Duties

- Debagging leaves and grass clippings
- Removing trash and other un-compostable materials
- Other duties as assigned
