Title: Speakers Bureau

Department: Public Works

Type of Volunteer: Project/Ongoing Volunteer

Description

The City of Joplin is looking for volunteers to be spokesmen and women for the Recycling Center, and to provide public education concerning curbside recycling and storm water pollution protection. These volunteers will be asked to speak at schools, and with civic groups and businesses. Volunteers should feel comfortable speaking in front of large groups, and more importantly they need to be passionate about the environment.

Duties

- Regularly speaks in front of large groups
- Undergo training to become familiar with the information they are presenting
- Prepare presentations and gather presentation material
- Act as a representative of the City of Joplin when making public presentations
